To Shareholders and, for information purposes only, to the holders of options and warrants to subscribe for Ordinary Shares

Dear Shareholder,

1. INTRODUCTION

I am pleased to be writing to you with details of our Annual General Meeting which we are holding at 6 Priory Court, Priory Court Business Park, Poulton, Cirencester, Gloucestershire, GL7 5JB at 12.00pm on 24 June 2020. The formal notice of the Annual General Meeting is set out on pages 6 to 7 of this document.

The purpose of this letter is to provide Shareholders with details of, the background to and reasons for, the resolutions to be proposed at the AGM, to explain why the Board believes that the passing of the Resolutions is in the best interests of Eden and the Shareholders as a whole and to recommend that Shareholders vote in favour of the Resolutions. The Resolutions to be proposed at the AGM include, amongst other things, resolutions to authorise the Directors to allot new Ordinary Shares and to dis-apply statutory pre-emption rights on the allotment of new Ordinary Shares.

If you would like to vote on the Resolutions, please submit your votes electronically via the share portal. You will find instructions in the notes to this notice. Votes should be submitted as soon as possible and, in any event, so as to be received by no later than 12.00pm on 22 June 2020.

2. BUSINESS TO BE TRANSACTED AT THE AGM

Details of the Resolutions which are to be proposed at the Annual General Meeting are set out below.

Ordinary resolution 1: Annual Report 2019

The business of the Annual General Meeting will begin with a resolution to lay before members the Annual Report in respect of the year ended 31 December 2019 (the "Annual Report 2019").

Ordinary resolution 2: Re-appointment of auditors

Shareholders will be asked to confirm the re-appointment of KPMG LLP as the Company's auditors; to hold office until the conclusion of the next annual general meeting; and to grant authority to the Directors to determine the auditors' remuneration.

Ordinary Resolution 3: Re-election of Director

Shareholders are asked to re-elect as a Director, Alex Abrey, who is voluntarily retiring and who, being eligible, is offering himself for re-election.

LETTER FROM THE CHAIRMAN OF EDEN RESEARCH PLC CONTINUED

Ordinary Resolution 4: Re-election of Director

Shareholders are asked to re-elect as a Director, Lykele van der Broek, who is voluntarily retiring and who, being eligible, is offering himself for re-election.

Ordinary resolution 5: Grant of authority to the Directors to allot Ordinary Shares

At last year's annual general meeting of the Company, shareholders passed a resolution giving the Directors authority to allot Ordinary Shares up to a maximum aggregate nominal value of £723,353.39 (representing 72,335,339 Ordinary Shares). That power expires following the conclusion of the Annual General Meeting and the Directors therefore propose that the relevant authority is renewed and increased at the Annual General Meeting and, accordingly, have proposed resolution 5 in the Notice of Annual General Meeting to do this.

It is proposed that the Directors be authorised to allot Ordinary Shares up to a maximum nominal value of £1,311,430.68 (representing 131,143,068 Ordinary Shares) which is approximately equal to 33.3 per cent. of the Company's issued share capital and share capital in respect of which options, warrants or other rights to subscribe for Ordinary Shares have been granted as at 28 May 2020 (being the latest practicable date prior to publication of this document).

This renewed authority would expire at the conclusion of next year's annual general meeting.

Special resolution 6: Disapplication of statutory pre-emption rights on allotment of shares

If the Directors wish to allot unissued shares or other equity securities for cash, or sell any shares which the Company may hold in treasury following a purchase of its own shares, the Companies Act 2006 requires that such shares or other equity securities are offered first to existing shareholders in proportion to their existing holdings. At the Annual General Meeting of the Company held last year, shareholders passed a special resolution giving the Directors authority to allot equity securities for cash up to a maximum aggregate nominal value of £217,006.02 (representing 21,700,602 Ordinary Shares), without first being required to offer such securities to existing shareholders, by the limited disapplication of Section 570 of the Companies Act 2006. That power expires following the conclusion of the Annual General Meeting and the Directors therefore propose that the relevant authority is renewed and increased at the Annual General Meeting and, accordingly, have proposed resolution 6 in the Notice of Annual General Meeting to do this.

Pursuant to Resolution 5, the Directors are seeking authority to allot equity securities or sell treasury shares for cash up to a maximum aggregate nominal value of £393,429.21 (representing 39,342,921 Ordinary Shares) which is approximately equal to 10 per cent. of the issued share capital of the Company and share capital in respect of which options, warrants or other rights to subscribe for Ordinary Shares have been granted as at 28 May 2020, without first offering the securities to existing shareholders. The total number of Ordinary Shares in issue as at 28 May 2020 (being the latest practicable date prior to the publication of this document) is 380,340,229. The Company does not currently hold any treasury shares. The proposed resolution also dis-applies the statutory pre-emption provisions in connection with a rights issue and allows the Directors, in the case of a rights issue, to make arrangements in relation to fractional entitlements or other legal or practical problems which might arise.

This authority would expire at the conclusion of next year's annual general meeting.

3. COVID-19 IMPACT ON THE AGM

In view of the ongoing COVID-19 pandemic and the uncertainty around the timeframe for relaxing the UK Government's current compulsory measures (the 'Stay at Home Measures') prohibiting, among other things, public gatherings of more than two people, the Board intends that the following arrangements will apply to the AGM.

Whilst in normal circumstances the Board values very highly the opportunity to meet shareholders in person at its AGM, in view of the Stay at Home Measures, the Board asks shareholders not to attend the AGM in person this year and, instead, to exercise their right to submit proxy votes. Only two members will attend the AGM in person to form the necessary quorum. Professional advisers and shareholders have been asked not to attend. The meeting will be limited to the formal business required and there will be no corporate presentation or Q&A at the meeting.

The Company is taking these precautionary measures to safeguard its shareholders' and employees' health, to comply with current Government guidelines to minimise the unnecessary movement of people and to make the AGM as safe and efficient as possible.

Should Shareholders wish to ask any questions in relation to the Resolutions, which they may otherwise have asked at the AGM, had they been in attendance, they are encouraged to contact the Company prior to the AGM by email at agm@edenresearch.com.

4. ANNUAL GENERAL MEETING

On pages 6 to 7 of this document, there is a notice convening the Annual General Meeting to be held at 6 Priory Court, Priory Court Business Park, Poulton, Cirencester, Gloucestershire, GL7 5JB at 12.00pm on 22 June 2020.

5. ACTION TO BE TAKEN

Please complete your proxy vote online at www.signalshares.com in accordance with the notes printed in the notice of meeting (or appoint a proxy by another method in accordance with the notes to this document) as soon as possible and, in any event, so that it is received no later than 12.00pm on 22 June 2020 or not less than 48 hours before the time of the AGM if it is adjourned.

6. RECOMMENDATION

The Directors consider the Resolutions to be proposed at the Annual General Meeting to be in the best interests of the Company and Shareholders as a whole. Accordingly, the Directors unanimously recommend that Shareholders vote in favour of all of the Resolutions to be proposed at the Annual General Meeting, as the Directors intend to do in respect of their own beneficial holdings, being 3,093,530 Ordinary Shares, representing approximately 0.81 per cent. of the Company's existing issued ordinary share capital as at 28 May 2020 (being the latest practicable date prior to publication of this document).

Yours faithfully

Lykele van der Broek
Non-Executive Chairman

Where more than one proxy is appointed, a member must specify the number of shares the rights in respect of which each proxy is entitled to exercise. A proxy need not be a shareholder of the Company. As stated at the front of this document to shareholders, you will not be able to attend our 2020 AGM in person in-line with HM Government compulsory 'Stay at Home' measures as a result of the COVID-19 pandemic and are kindly requested to submit your votes by proxy.

The submission of a proxy vote will not prevent a shareholder attending the Annual General Meeting and voting in person if he/she wishes to do so. If you need help with voting online, or require a paper proxy form, please contact our Registrar Link Asset Services by email at enquiries@linkgroup.co.uk, or by calling 0371 664 0391. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. Link Asset Services are open between 09:00 - 17:30, Monday to Friday excluding public holidays in England and Wales.
4. Pursuant to regulation 41 of the Uncertificated Securities Regulations 2001, only shareholders registered in the register of members of the Company as at close of business on 28 May 2020 shall be entitled to attend and vote at the Annual General Meeting in respect of the number of shares registered in their name at such time. If the Annual General Meeting is adjourned, the time by which a person must be entered on the register of members of the Company in order to have the right to attend and vote at the adjourned meeting is close of business on the day preceding the date fixed for the adjourned meeting. Changes to the register of members after the relevant times shall be disregarded in determining the rights of any person to attend and vote at the meeting.
5. As at 28 May 2020 (being the latest practicable date prior to the publication of this document), the Company's issued share capital consists of 380,340,229 Ordinary Shares of 1p each and which each carry one vote. Therefore, the total voting rights in the Company as at 28 May 2020 are 380,340,229.
6. Corporate shareholders are entitled to appoint a corporate representative to exercise all or any of their rights to attend and to speak and vote (on a show of hands and on a poll) on their behalf at the meeting. A corporate shareholder may appoint more than one corporate representative in relation to the Annual General Meeting. Where more than one corporate representative is appointed on a vote by show of hands, each corporate representative has the same voting rights as the corporate shareholder would be entitled to. Where more than one corporate representative is appointed on a poll vote, if all corporate representatives exercise their power in the same way, the power is exercised in that way, if they do not exercise the power in the same way as each other, the power is not treated as exercised. As stated at the front of this document to shareholders, you will not be able to attend our 2020 AGM in person in-line with HM Government compulsory 'Stay at Home' measures as a result of the COVID-19 pandemic and are kindly requested to submit your votes by proxy.
7. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the meeting and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
8. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com/CREST). The message, regardless of whether it constitutes the appointment of a proxy, or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company's registrars (ID: RA10) by the latest time(s) for receipt of proxy appointments specified in Note 2 above. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
9. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings (www.euroclear.com/CREST).
10. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001 (as amended).
